I do not want to receive news for hikers from HikeWest.

Do you go hiking or walking in nature?

Yes, mainly on trails.

Yes, I go bushwalking cross-country / off-track.

No, I mainly walk in urban areas.

No, I'm not a walker.

If you ticked yes, what is the main reason you go walking in nature?

(e.g. physical fitness, mental wellbeing, enjoying natural environments)

What would encourage you to walk in nature more often?

(e.g. better trails, walks closer to home, better transport to trails)
